

The Fulton-DeKalb Hospital Authority EMS Scholarship Opportunity

The Fulton-DeKalb Hospital Authority (FDHA) is committed to supporting the EMS community within Fulton and DeKalb counties. Currently, the FDHA has scholarship opportunities available for individuals who meet the required qualifications for the Grady EMS Academy training program for EMTs, AEMTs and Paramedics. The scholarships will cover the full cost of the training program and all associated fees. Please click [here](#) to visit the Grady EMS Academy website to complete all pre-admission requirements. Once your application has been completed, please submit it to careerdevelopment@thefdha.org along with this form. Scholarships are limited and applications will be selected based on essay responses and ability to work within Fulton and DeKalb counties.
